WYNWOOD

THE WYNWOOD WALLS

KNOWN FOR ITS COLORFUL GRAFFITI, IT IS ONE OF THE MOST EXCITING NEIGHBORHOODS IN THE CITY OF MIAMI.

Young people there frequent the city's chic clothing boutiques, stylish bistros and late-night bars.

So our source of inspiration starts from faraway Miami in a way that our team manages to bring it to the heart of Glyfada.

In our place we will welcome you with our brightest smile, with the coolest and our delicious cocktails, our most crispy chicken (WFC) that fascinates even the most demanding palates, our good mood always combined with the music that will excite you.
